TERRORISM COVERAGE

Where an *act of terrorism* directly or indirectly causes *you* a loss for which benefits would otherwise be payable in accordance with the terms and conditions of this policy, this insurance will provide coverage as follows:

- For **Emergency Medical Insurance, Trip Cancellation & Trip Interruption Insurance coverage**, *we* will provide benefits to *you* for *your covered expenses* subject to the maximums shown in the benefits section and this provision;
- The benefits payable, as described directly above, are in excess of all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other travel suppliers and other insurance coverage (even where such other coverage is described as excess) and will only become available after *you* have exhausted all such other sources.

Any benefits payable pursuant to *our Emergency Medical Insurance and Trip Cancellation & Interruption Insurance coverage* shall be subject to an overall maximum aggregate payable limit relating to all in-force travel policies issued by *us*, including this policy. If total claims otherwise payable for a type of coverage under all travel policies issued by *us*, resulting from one or more *acts of terrorism* occurring within an applicable time period, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a prorated basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit.

Coverage is only available for up to 2 *acts of terrorism* within a calendar year and the maximum aggregate payable limit for each *act of terrorism* is:

Type of Coverage	Maximum Aggregate for Each Act of Terrorism (CDN\$)
<i>Emergency Medical</i>	\$35,000,000
<i>Trip Cancellation & Trip Interruption</i>	\$2,500,000

If, in *our* judgment, the total of all payable claims under one or more *acts of terrorism* may exceed the applicable limit, *your* prorated claim may be paid after the end of the calendar year in which *you* qualify for benefits.

Exclusion to this Terrorism Coverage provision

Notwithstanding any provision to the contrary within this policy or any endorsement thereto, this policy does not cover any liability, loss, cost or expense of whatsoever nature which is directly or indirectly caused by, results from, arises out of or is in connection with any *acts of terrorism* perpetrated by or involves the utilization of biological, chemical, nuclear or radioactive means, regardless of any other cause contributing concurrently or in any other sequence to the liability, loss, cost or expense.

WHAT ELSE DO YOU NEED TO KNOW?

Coverage under this policy is issued on the basis of information provided in *your* application (including the *medical questionnaire* if required). *Your* entire contract with *us* consists of: this policy; *your* application for this policy (including the completed *medical questionnaire* if required), the *confirmation* issued in respect of that application, and any other amendments or endorsements resulting from changes, extensions or top-ups of coverage.

This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact in *your* application for this policy, extension or top-up of coverage for benefits under this policy.

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus. Neither *we* nor *our* agents or administrators are responsible for the availability, quality or results of any medical *treatment* or transportation, or for *your* failure to obtain medical *treatment*.

Despite any other provisions of this contract, this contract is subject to the statutory conditions contained in the Insurance Act respecting contracts of accident and sickness insurance.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice.

Upon payment of premium, this document becomes a binding contract provided it is accompanied by a *confirmation* upon which a policy number appears and *we* have received *your* completed application (including the *medical questionnaire* if required) prior to *your departure date*. If the premium is insufficient for the period of coverage selected, *we* will:

1. charge and collect any underpayment; or
2. shorten the policy period by written endorsement if an underpayment in premium cannot be collected.

Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

How does this insurance work with other coverages that *you* may have?

The plans outlined in this policy are second payor coverages. If there are other third party liability, group or individual, basic or extended health insurance plans or contracts including any private, provincial or territorial auto insurance plan providing *hospital*, medical or therapeutic coverage or any other third party liability insurance in force concurrently herewith, amounts payable hereunder are limited to that portion of *your* expenses, incurred outside the province or territory of residence, that are in excess of the amounts for which *you* are insured under such coverage.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. *We* will coordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum of \$50,000 or less), to a maximum of the largest amount specified by each insurer.

In addition, *we* have full rights of subrogation. In the event of a payment of a claim under this policy, *we* will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and cooperate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy underwritten by *us*, the total amount *we* pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy.

If the total amount of all accident insurance *you* have under policies issued by *us* is more than \$100,000, *our* aggregate liability will not exceed that amount, and any excess insurance will be void and the premiums paid for such excess insurance will be refunded.

3. *We* cover the current actual cash value of *your* property when it is lost or damaged. *We* also reserve the option to repair or replace *your* property with other of similar kind, quality and value. *We* may also ask *you* to submit damaged items for an appraisal of the damage. If a lost or damaged article is part of a set, *we* will cover a reasonable and fair proportion of the total value of the set, but not the total value of the set.
4. If *you* need to make a claim under this insurance, *we* will need:

We will pay the *covered expenses* under this insurance to *you*, the provider of the service, or upon death, *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if we determine that the amount is not payable under *your* policy. Except for the *deductible amount* (in U.S. dollars), all amounts shown throughout this contract are in Canadian dollars.

If currency conversion is necessary, we will use *our* exchange rate on the date *you* received the service outlined in *your* claim. We will not pay for any interest under this insurance.

Is there anything else *you* should know if *you* have a claim?

If *you* disagree with *our* claim decision, the matter may be submitted to arbitration under the arbitration law in the Canadian province or territory where *you* reside at the time of application for this policy. Legal action to recover a claim must start within the 12 months of the date the insurance monies would have been payable if it were a valid claim and be undertaken before courts of the province where *you* resided at the time this policy was issued.

For the purposes of determining the validity of a claim under this policy, we may obtain and review the medical records of *your* attending *physician(s)*, including the records of *your* regular *physician(s)* at home. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, we have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If *you* die, we have the right to request an autopsy, if not prohibited by law.
