Visitors to Canada

TRAVEL INSURANCE

EFFECTIVE MARCH 2009

coverage wherever you go

CANADIAN VISITOR PROTECTION FOR YOU

Unexpected emergency medical treatment is the single most expensive hidden cost you could get hit with while visiting Canada. But there's no need to worry. Just be sure to stay covered with TIC Emergency Hospital & Medical Insurance. If you have an unexpected illness or accidental injury during your stay in Canada, we'll be there to ensure you get the care you need.

WHY DO I NEED INSURANCE?

Health care costs in Canada are very expensive. Hospitals can charge thousands of dollars per day. Without emergency hospital and medical insurance, you and your family would be responsible for these high costs, which can create a significant financial burden.

WHAT IS COVERED?

Travel insurance is intended to cover **sudden, unexpected, and unforeseeable** circumstances. Please read the Benefits section for a summary of the coverage available.

Coverage is **NOT AVAILABLE** to any individual who:

- has been diagnosed with a terminal illness;
- has Acquired Immune Deficiency Syndrome (AIDS) or Human Immunodeficiency Virus (HIV);
- has Alzheimer's Disease or any other type of dementia;
- has received any type of treatment for pancreatic cancer, liver cancer or any type of cancer that has metastasized;
- has been prescribed home oxygen treatment in the last 12 months;
- has had a major organ transplant (heart, kidney, liver, lung); or
- has received kidney dialysis treatment in the last 12 months.

WHAT IS NOT COVERED?

Travel insurance does not cover everything. This insurance has exclusions, conditions and limitations. Please read them and understand the policy before you buy this insurance.

WHAT ARE MY COVERAGE OPTIONS?

You can choose between a maximum aggregate limit of \$10,000, \$25,000, \$50,000, \$100,000 or \$150,000. There are also optional plans available for an additional cost.

ARE THERE AGE LIMITS?

Coverage is not available for persons less than 15 days old. There is no upper age limit to apply for coverage.

To be eligible for coverage you must:

- be at least 15 days old;
- not be insured or eligible for benefits under a Canadian government health insurance plan;

- be in good health at the time you purchase your policy and on the effective date, and know of no reason why you would require any medical consultation during the period of coverage;
- not reside in a nursing home, convalescent home, or rehabilitation centre;
- not require assistance with activities of daily living; and
- not have exceeded two years of uninterrupted coverage under a TIC insurance plan.

I WANT TO STAY LONGER.

CAN I PURCHASE FURTHER COVERAGE?

Yes, you can subject to policy terms and conditions. Just call your agent or TIC (during business hours) prior to the expiry of your policy. You must be in good health and not have incurred any losses with TIC.

WILL THIS COVER ME FOR TRIPS OUTSIDE CANADA?

Yes, provided the majority of your period of coverage is spent in Canada. Expenses incurred in your country of origin will not be covered.

IS MY PERSONAL INFORMATION PROTECTED?

We are committed to protecting the privacy, confidentiality and security of the personal information we collect, use and disclose. Your personal information, including your medical history, will be collected, used and disclosed only for the purpose of providing you with the requested insurance services. For a copy of TIC's privacy policy, please contact us or visit our website: www.travelinsurance.ca.
